

**Associate of Arts Articulation Agreement between
Seattle Community College District
And
Colorado State University – Global Campus**

To create a clear and easy pathway for students of the Seattle Community College District (SCCD), consisting of North Seattle Community College, South Seattle Community College and Seattle Central Community College, to transfer to and complete their baccalaureate degree at Colorado State University – Global Campus (CSU – Global), this direct transfer agreement (DTA) outlines transfer requirements, provisions, and related advertising considerations. This DTA does not guarantee admission to the university or to the specific program/major.

1. Upon completion of the Associate of Arts degree (A.A.) degree at the Seattle Community Colleges, students will be accepted by Colorado State University – Global Campus at junior status with 90 quarter transfer credits that will translate to 60 semester transfer credits. Transferring students must have a minimum cumulative grade point average (GPA) of 2.0 or C. Courses numbered lower than 100-level are not included in this transfer agreement.
2. CSU – Global will accept up to 96 quarter transfer credits that will translate into 64 semester credits. The maximum amount of semester credits that CSU – Global will accept from a community college is 64. Courses with a grade lower than C- or 1.6 will not transfer.
3. If CSU – Global general education credit requirements are not fulfilled after transfer, students will be required to complete the remainder of general education requirements with CSU – Global.
4. International students who complete ENG 101 and ENG 102 with a grade of 2.0 or higher will have met the English proficiency requirements of Colorado State University – Global Campus, and will not need to submit separate proof of English proficiency at the time of application.

5. SCCD and CSU – Global may choose to co-develop written materials outlining for SCCD students programs, policies and procedures relevant to this DTA. This DTA will be publicized in newsletters, course schedules and other promotional materials.

This agreement will remain in effect until a mutually agreed-upon change is deemed necessary. This agreement may be terminated by the SCCD or CSU – Global with appropriate written notification. Each institution agrees to provide termination notice one year prior to intended change.

SCCD and Colorado State University – Global Campus officially authorize this agreement on the 21st Day of March, 2013, with the agreement becoming effective immediately.

Colorado State University – Global Campus
